### Re-Creation to Perform at the Salem VA Medical Center

**Salem, Va** - The Salem VA Medical Center is proud to announce that Re-Creation's **"EVERYDAY PEOPLE!"** show will appear at the Salem Veterans Affairs Medical Center (VAMC) on Thursday, March 1, 2012, bringing a new stage presentation to hospitalized Veterans and their guests.

The group represents Re-Creation USA, Inc., which provides a national program of live entertainment for America's hospitalized Veterans in VA Medical Centers and State Veterans Homes.

**Help Hospitalized Veterans** has recently joined in a primary way to help present Re-Creation in the VA Health Care System. **The BVL Fund**, Re-Creation's longest-running sponsor and a Bowlers of America charity for hospitalized Veterans, also helps to underwrite tour costs. **The Elks National Veterans Service Commission**, in conjunction with local B.P.O.E lodges, hosts Re-Creation touring groups nation-wide. The entire tour is produced in co-operation with the Department of Veterans Affairs.

Re-Creation **"EVERYDAY PEOPLE!"** spotlights great songs and great stars as America's young ambassadors to hospitalized Veterans focus on this nation's best loved music. Dynamic vocal renditions are enlivened by intricate, disciplined dance and choreography as the stage...and the entire room...virtually erupt with Re-Creation excitement. Re-Creation was founded in 1976 and performs in all 50 states. Credits include appearances at some of the nation's most prestigious fairs and festivals, at local, regional, state and national corporation banquets and conventions, and at major resort areas. Civic clubs, fraternal groups, schools, and public and private organizations now keep Re-Creation booked for more than 300 concerts each year.

Re-Creation travels with comprehensive sound equipment and staging materials. Each Re-Creation performance is a full variety production designed to provide unique and satisfying musical entertainment.
